Safeguarding Issues

Attendance: Your child's attendance is monitored daily and significant absences are always followed up. The school has an attendance policy that you should read and understand.

Behaviour: We have clear behaviour rules for the whole school community that must be followed to keep everyone safe and happy. We understand that children do sometimes fall out and this will be dealt with by an adult who will listen to the children involved and help to resolve the situation.

Bullying: The school takes any suspected bullying very seriously and will work with children and families to try and resolve any problems. The school has an anti-bullying policy that you should read and understand.

Health and Safety: Everyone at Clipston has a responsibility to keep adults and children work in a safe environment. The school has a clear health and safety policy which everyone must follow. The school has fully trained first aiders to deal with any accidents in school.

Online Safety: The school recognises that technology plays an important role in the education of our children and is committed to safeguarding children in the virtual world. To support parents, the school has online safety information available on the website to help keep your children safe both in school and at home.

Complaints: If you have any concerns or complaints, please feel confident to speak to us. The Head Teacher will always be happy to speak to you to resolve any difficulties. It is better to speak to us as soon as you have a concern so that it does not become a bigger issue. If you do not feel the matter has been resolved, you can raise your concerns with the governing body.

How Parents and Carers Can Help

Parents are the most important people to keep their children safe.

You should always:

- Feel confident to raise concerns about your child.
- Talk to school if you need help or support.
- Read the school policies about safety issues
- Let the school know if your child has a medical condition
- Let the school know if you have any court orders relating to the safety of your child
- Let the school know if there is a change in your circumstances such as a house move, a new contact number, a change of name, a change of parental responsibility
- Let us know who will be dropping off or collecting your child and the details of two other emergency contacts. You must inform the school of any changes to agreed arrangements.
- Let the school know if your child is going to be absent and the reasons why.
