News: In Worship Assembly this week, we discussed World Wildlife Day and spoke about the work of Joan Proctor – the children even saw a real snakeskin! We talked about the work of other Wildlife Experts such as Sir David Attenborough, and about the importance of looking after our world. Feedback from the Life Education Sessions was excellent – the children had a great time learning about growing up and staying healthy. Huge thank you to the School Association for subsidising these visits. Our first Forest School sessions were thoroughly enjoyed by Reception and Year 1 this week. Children made mythical clay creatures and were keen to use their developing vocabulary to imagine and describe the special powers their creatures would have to protect the forest. The Living Eggs chicks have hatched! The children were thrilled – it really is a lovely opportunity for them all. Photos next week!

Another highlight this week was of course World Book Day. The children were keen to share favourite books with friends. In this bumper edition of the Newsletter, you can see some of the amazing spoons decorated as book characters. Thank you to everyone for their enthusiastic support.
