

Religious Education (RE)

At Clipston Endowed VC Primary School, RE contributes strongly to the ethos of the school. We passionately believe that it is vital for all our pupils to learn from and learn about the Christian religion and other global faiths, so they can understand and appreciate the world around them. We follow the Locally Agreed Syllabus for Religious Education. Understanding Christianity and the Diocesan Syllabus for RE also support our curriculum plans. RE develops children's knowledge and understanding of the nature of religion and belief, it provokes challenging Big Questions about meaning and purpose, truth and values, identity and belonging.

We have been awarded the RE Quality Mark Silver status: "RE at Clipston is vibrant, securely and inspirationally led, and taught with enthusiasm."
