

Social, Moral, Cultural and Spiritual (SMSC) Development

At Clipston Endowed VC Primary School we recognise that the personal development of pupils, spiritually, morally, socially and culturally (SMSC) plays a significant part in their ability to learn and achieve. We therefore aim to provide an education that provides pupils with opportunities to explore and develop:

- their own values and beliefs,
- spiritual awareness,
- high standards of personal behaviour,
- a positive, caring attitude towards other people,
- an understanding of their social and cultural traditions
- and an appreciation of the diversity and richness of cultures.

SMSC development is a dimension of the whole school experience which makes the curriculum relevant, stimulating, creative and fun. It enriches each subject and the ethos of our school - and is an essential ingredient of school success. Our “We are talking about” display captures the local, national and global topics and Big Questions discussed by the children. Our #ProudToBeClipston Passports document the plethora of rich experiences and opportunities on offer to the children as pupils at Clipston.
