

Worship

Daily Collective Worship Assemblies are a time when we come together to learn about the love of God, celebrate the Liturgical Year and celebrate our achievements together. Worship Assemblies promote our Christian values, which permeate the ethos of the school and impact on the daily lives of everyone in our school community. The contributions of staff, pupils, church clergy and other visitors are valued highly. We also actively seek to encourage awe, wonder and reflection, so that children may develop spiritual flourishing. Our Worship Assemblies are inclusive and inspiring moments to which the whole school community is invited.
