Robin Class
Year 2 Homework

Set: Friday 16th October 2026

Due: Thursday 22nd October 2026

Maths

Missing Numbers
(Addition and Subtraction)

Complete the missing number calculations.
Work out which number is missing in each number sentence.
You can use a number line or counters to help you.

$14 - \square = 9$

$7 + \square = 16$

Challenge: Can you make both sides of the equals sign balance?

The suffix -ed

Complete the activities about adding the suffix **-ed** to change the meaning of a word.

You will:

- circle the correct spelling
- complete the word sums
- add **-ed** to the sentences to make them past tense

Reading

Please read at least 4 times a week.
You can also choose a book from home to share.

Reading wallets with books should be in school every day.
