Robin Class
Year 2 Homework

Set: Friday 9th October 2026

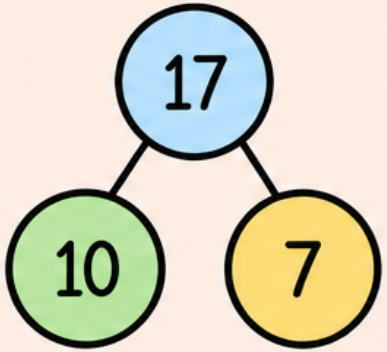

Due: Thursday 15th October 2026

Maths

Fact Families
(The Eight Facts)

Complete the questions about fact families.

Remember, there are 8 related calculations for each set of three numbers.

The suffix -y

Complete the activities about adding the suffix -y to change the meaning of a word.

You will:

- read the information
- complete the activities
- answer the questions

Reading

Please read at least 4 times a week.
You can also choose a book from home to share.

Please make sure your book bag and homework are in school on Thursday.

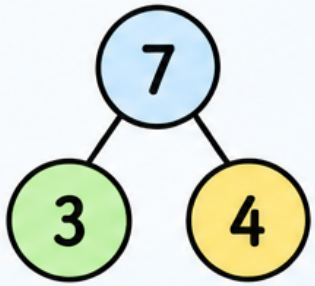

Year 2 Homework

Maths – Fact Families (The Eight Facts) **Answers**

Set: Friday 9th October 2026 **Due:** Thursday 15th October 2026

1 Worked example

These three numbers make a fact family.

Write the eight facts.

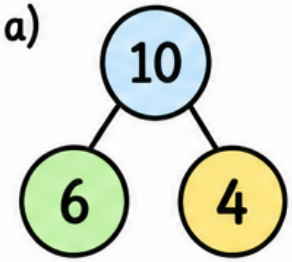

3 + 4 = 7
4 + 3 = 7
7 = 3 + 4
7 = 4 + 3

7 − 3 = 4
7 − 4 = 3
4 = 7 − 3
3 = 7 − 4

2 Write the eight facts.

Use the three numbers to complete the fact family.

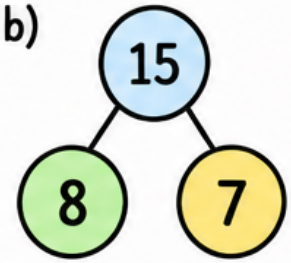

a)

6 + 4 = 10
4 + 6 = 10
10 = 6 + 4
10 = 4 + 6

10 − 6 = 4
10 − 4 = 6
4 = 10 − 6
6 = 10 − 4

b)

8 + 7 = 15
7 + 8 = 15
15 = 8 + 7
15 = 7 + 8

15 − 8 = 7
15 − 7 = 8
7 = 15 − 8
8 = 15 − 7

3 Complete the missing numbers.

a) 6 + 5 = **11**
b) 5 + **7** = 12
c) 17 − 6 = **11**
d) 17 − **8** = 9

e) 8 + **8** = 16
f) 16 − **8** = 8
g) **6** + 7 = 13
h) 13 − 7 = **6**

4 Spot the mistake.

One of the facts in each set is incorrect. Cross it out.

a)

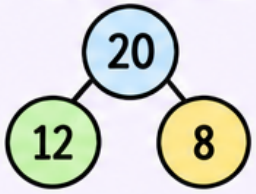

4 + 9 = 13
9 + 4 = 13
13 − 4 = 9
~~13 − 9 = 5~~

b)

7 + 6 = 13
6 + 7 = 13
~~13 − 6 = 7~~
13 − 7 = 8

5 Reasoning and problem solving.

a) These three numbers make a fact family.

Which two calculations have the same answer? Explain how you know.

12 + 8 | 20 − 8 | 20 − 12 | 8 + 12

12 + 8 and 8 + 12
They both equal 20.

b) I know that 9 + 6 = 15.
Without working it out, what are the answers to these?
Explain how you know.

I know the related facts in the same fact family.

6 + 9 = **15**
15 − 9 = **6**
15 − 6 = **9**

Suffix -y Homework 1

Answers

1 Add a C or V under the letters in each base to show whether it is a vowel or consonant.

r a i n
C V C C

rain

w i n d
C V C C

wind

s n o w
C C V C

snow

s t o r m
C C V C C

storm

2 Solve the word sums.

rain ⊕ **y =** rainy

snow ⊕ **y =** snowy

storm ⊕ **y =** stormy

wind ⊕ **y =** windy

3 Correct the spelling and explain the mistake that has been made.

It was a rainee day, so we stayed inside and played games.

It was a rainy day, so we stayed inside and played games.

The word is spelt incorrectly. The 'ee' should be 'y' at the end.
