Our Family History – Remembering the World Wars

As part of our learning about Remembrance Day, we would love the children to find out whether anyone in their family was involved in the First or Second World War.

Talk to your family and see if you can discover any interesting stories about relatives who fought in the wars or helped in other ways.

You could share a name, a few interesting facts, a drawing or a copy of an old photograph.

Don't worry if you don't know of anyone in your family who was involved. You could research someone who helped during the war, such as a soldier, nurse, evacuee or factory worker, instead.

We look forward to sharing your discoveries in class!

Reading

Please read for 5–10 minutes every day.
Try to talk about what you have read.

Reading wallets with books should be in school every day.
