

Robin Class Homework Tasks

Set: 23.01.26

Due: 30.01.26

Year 1: One more, one less – Add the correct numbers to the robots arms using one less (left arm) and one more (right arm).

Year 2: Addition – Add the money together using 'if I know $3+3=6$, then I also know that $30+30=60$. For questions with tens and ones – add the tens first and then the ones.

Year 1 and Year 2

Reading: Please read for 5-10 minutes every day, (and also use the activities outlined in your child's Read-Write-Inc Scheme Book, if they are on this scheme).

Please keep your Reading Books in your book bag.
