Ocean Love

Love is like the ocean,
It's deep and very long

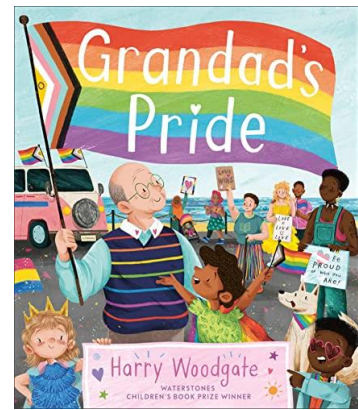

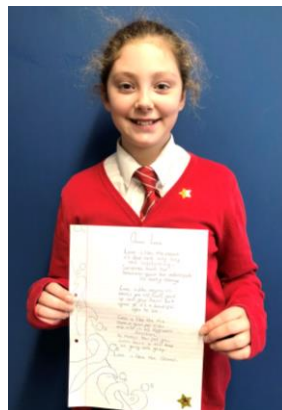

And everlasting,
But underneath, it's really strong.

Love is like surfing on waves,
You will have your ups and your downs,

But after all,
It's a beautiful sight to see.

Love is like the ocean,
It goes on for miles and miles,
In all different directions,
No matter how far you swim down,
It will keep on going and going.

Love is like the ocean.

News: In Worship Assembly this week, we focussed on this term's Christian Value - "Love" - and our school bible quote which the children know as "Treat others as you would like to be treated". With LGBT+ History Month coming up in February, we re-visited our understanding of the Protected Characteristics, which all children are expected to know and be able to discuss. The children in Woodpecker Class articulated their thoughts eloquently showing excellent understanding. We shared the book "Grandad's Pride" – a tale of love, identity and community spirit, enabling children to explore a variety of family structures and the overriding importance of love. This Year 6 pupil was thrilled to share the lovely poem she wrote at home – entitled "Ocean Love" – written as her family prepares for her Aunt's wedding.
