News: With the General Election looming, the children have been discussing British Values in the context of Democracy during Worship Assemblies this week. On Wednesday, the Local Authority School Improvement Partner visited to meet with staff, observe lessons and talk with pupils about their learning. The outcome of the monitoring was extremely positive. To have such excellent teaching, as evidenced by the work seen in the children's books, what the pupils say to visitors and the standard of the teaching observed is a real asset of the school. The children answered questions brilliantly and should be very proud of themselves. The highlight this week was the Kingfisher Class Trip to Holdenby House. As part of their World War II Topic, the children thoroughly enjoyed being immersed in a variety of activities including Cooking With Rations, First Aid, Make Do And Mend, WWII Games and an Aderson Shelter Air Raid Experience. Thank you to all the staff who arranged this memorable experience for the children – they had a really amazing day! We would be grateful if you could please take a few minutes to complete the Church School Online Survey which has been emailed to you today – staff and governors value your feedback. Thank you.
