News: In Worship Assembly this week, we discussed World Braille Day and learned about the story of Louis Braille, who became blind after an accident at the age of 3. We watched a programme about how he invented the Braille Alphabet, although this way to enable blind people to read and write wasn't implemented until after his death in 1852. The Reception children are all working really hard at their Phonics and these superstars couldn't wait to share their work with Mrs Mercer – they could make the words, write them and read them too – brilliant progress! In Key Stage 1 RE lessons this week, Robin Class children made lots of connections between the symbols used by Christians during Advent as part of their Incarnation Assessment. They could recall a huge number of facts and link them to a variety of Christian symbols. Very well done!
