News: In Worship Assembly this week, we prepared for next week’s Enrichment Day, discussing what it means to “be an artist”. We shared a book called *The Dot* by Peter H Reynolds (the children will be making their own “dots” next week) and we looked at clay sculptures of dragon eyes (the children will be creating their own versions of these next week too). Avid and knowledgeable readers in Woodpecker Class took part in the annual Reading Championships – competing against pupils aged 10 to 16 from across the region. They had a super time and demonstrated great team spirit. A Team from Year 4 & 5 took part in the Science Challenge at Robert Smyth, sponsored by The Rotary Club, competing against from other primary schools and coming third! Very well done to everyone who has represented the school this week. Children are invited to acknowledge Red Nose Day next week by wearing their red nose, if they have one, and making a donation to Comic Relief. A huge Easter Basket has been donated and will be displayed in the Bulls Head over the next two weeks before coming back to school – please do look out for information on how to be in with a chance of winning this raffle prize, to raise funds for the School Association.
