News: All the children had such an exciting Enrichment Day last week! The Life Education presenter was very impressed with how the children conducted themselves during the Mental Health sessions and gave super feedback about their exemplary conduct and lovely manners. Everyone thoroughly enjoyed creating Dragon Eyes using skills to manipulate, shape and stick the clay – as well as lots of imagination! Using the book *The Dot* for inspiration, children used acrylic paints to create their own “dots” which will eventually form a display in the Library. Everyone loved working in different classrooms with different teachers and with pupils from every year group. It was a really fun day! Kingfishers had a wonderful day at the New Walk Museum yesterday – so much fun was had exploring all the amazing Egyptian artifacts and learning all the gory details about mummification! Thank you, Team KFC! The School Association has organized a number of events as we approach Easter; a Disco, Tombola and Raffle, in addition to the schools Egg Competitions. We hope to see many of you at the Easter Service in church on Friday at 9.15am – please could every child bring one daffodil to school, which will be used to create our lovely Lenten Cross.
