**In the News:** Last week all the children in school took part in a mental health workshop with .... as part of Mental Health Awareness Week. It was lovely to hear such open and honest conversations about mental health. In worship this week, we shared the book 'The Invisible' with a focus on poverty and how it affects people in different ways, often making them feel invisible. We discussed ways we can help people in poverty including supporting our local food banks and making people feel seen with our kindness. Many thanks to the School Association and Mrs Pap for arranging for the School Calendar photos to be taken last week – this contributes enormously to the fundraising efforts, so do please consider buying one when they are released for sale. Woodpecker Class enjoyed their Geography fieldwork today. They walked around the village collecting data to answer the enquiry question 'What is there to do in our local area?' They used maps, photo evidence and a questionnaire to help them. Just a reminder that the Poppy Appeal collection is in the main office if you wish to purchase a poppy, wristband or keyring. For those of you that live in Clipston, volunteers will be doing a house-to-house collection ahead of Remembrance Day.
