In the News: In Worship Assembly this week we read the story ‘A Mathematician Like Me – Shini Somara’ as part of Maths Week. We discussed how maths is all around us in God’s world, from patterns on animals to the number of petals on a clover. We also thought about how we can all be mathematicians if we explore, ask questions and persevere. The children were asked to look for examples of maths in the world around them, and these are some of the examples they found: a daisy, shapes of windows in our school book nook and the numbers on a hopscotch. Three children from Woodpecker Class who were chosen to take part in the Primary Maths Challenge at Welland Park Academy this week. They showed a lot of mathematical skill and perseverance to solve the challenging maths problems in this national competition. Well done, we are all very proud of your efforts.
