Worship This Week

This week in worship we celebrated **World Wildlife Day**, exploring the wonderful variety of creatures that share our planet. We began by thinking about what *wildlife* really means and were surprised by just how much of it can be found right here on our school grounds. From birds and bees to insects, neighbourhood cats, and even the occasional badger, our school is home to a busy little community of living things. We also reflected on the message from the Bible that teaches us to **care for God's creation**. With that responsibility in mind, we discussed simple ways we can help protect the wildlife around us-by keeping our environment clean, respecting habitats, and being mindful of the impact we have on nature.

Inspired by these ideas, the **School Council** decided to take action. They organised a litter pick around the school grounds to help make our outdoor spaces safer and more welcoming for the creatures that live alongside us. It was a brilliant example of our pupils putting their learning into practice and showing real stewardship for the world around them.

Our Christian value this term is Forgiveness

Forgive as you have been forgiven
(Matthew 6:14-15)

Our Designated Safeguarding Lead is Miss Gallone. Our Deputy DSLs are Mr Rosevear and Mrs Guerriero.
