## Worship This Week

This week in worship, the whole school has been reflecting on the Easter story and the powerful messages it brings about hope, courage, and new beginnings. Our journey culminated in a beautiful Easter service at church this morning, where the children shone with confidence and joy.

Pupils from Kingfisher Class shared thoughtful readings, sang with enthusiasm, and the whole school helped create our stunning Lenten cross — a symbol of reflection and renewal that has grown throughout the season. It was wonderful to see the children come together to celebrate such an important moment in the Christian calendar, showing both reverence and pride in their contributions.

A heartfelt thank you to everyone who supported the service and to the children for making it such a memorable occasion.

## Year 5 Swimming

Just a reminder that Year 5 will start swimming lessons after the Easter holidays. Swimming hats are available from the office for £1.50.

Please see ParentMail for more information and to sign your consent forms.

## Easter Events

This week our corridors were bursting with colour as children proudly shared their beautifully decorated eggs. From glittery creations to imaginative characters, the display was a wonderful celebration of creativity and enthusiasm across the school. Despite the rather uncooperative weather, we still managed to enjoy our much-loved egg-rolling competition. With plenty of laughter, cheering, and a few very speedy eggs, the children embraced the tradition with great spirit. A huge well done to everyone who took part and helped make our Easter celebrations so memorable as well as our well-deserved winners.

## School Behaviour Policy

Following the publication of the DFE Guidance Behaviour in Schools, we have reviewed our school behaviour policy and made a few small changes. We will be talking to the children about the changes in our first assembly next term. And introducing this over the coming weeks so that the children continue to be confident happy children whilst in school. For more information, please see our policy:
