

CLIPSTON ENDOWED PRIMARY SCHOOL

Newsletter 29 2025 / 2026

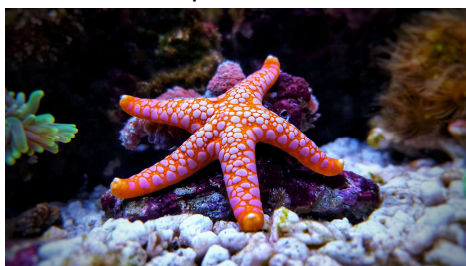

1st May 2026

Worship This Week

This week we explored how **small actions can make a big difference**. We shared the story of the child saving starfish one at a time, reminding us that every little act of care matters.

Linked to our **Christian values**, we thought about the small responsibilities we can take in school that have a big impact—picking up litter, looking after equipment, being kind, and helping others.

The children reflected beautifully on how these simple choices help our whole school shine.

Sun Safety

Now that the weather is warming up and the sun has finally arrived, please can I ask all parents to consider sun safety. It would really help us if children come to school with factor 50 sun cream applied so that the children are able to remain protected during playtimes and lunchtimes. A hat to cover both face and back of the neck would also be a very useful addition to the usually school uniform. Many thanks for your continued support.

Chickenpox

Just to let you know that chickenpox is doing the rounds at school at the moment so please be vigilant for an itchy, spotty rash. For further information, please see the NHS website:

[Chickenpox - NHS](#)

Parking Outside School

We have recently received a number of concerns from local residents about cars parked outside school and along the High Street during drop-off and pick-up times.

Please can we ask you all to give consideration to our neighbours by parking safely without blocking driveways or double parking. Please can you also ensure you leave enough room for the school bus to park. Thank you all for your co-operation in this matter.

Dates for the Diary

11 th - 14 th May	SATS week
15 th May	Gold Awards assembly
21 st May	Class photographs
21 st May	Last day of term 5
1 st June	First day of term 6
