Worship This Week

This week in worship we celebrated the start of Pride Month, focusing on the importance of valuing our differences and feeling free to be our true selves.

We shared the beautiful picture book Julian at the Wedding, which helped the children explore themes of friendship, joy and self-expression. The story encouraged us to think about how everyone is unique and how our school community is stronger when we celebrate those differences.

The children reflected on ways they can show kindness, respect and acceptance so that everyone feels safe and confident to be themselves.

Why not try a quiz to help prepare your child for safe use whilst online. The link below is particularly useful for Key Stage 2 children and can promote some good conversations between adults and children.

Sports Day

As many parents emailed at the beginning of the school week to question if Sports Day would take place due to the inclement weather forecast, we made an early call to cancel. Our scheduled Plan B date is Friday 12th June, as stated in our 'Dates for the Diary'. We plan to start with our Key Stage One and Reception children at 9.15am and then we will move on to our Key Stage 2 activities at 10.30 am. The weather, at the moment, is looking much better and we will leave the decision to cancel as late as possible to ensure we have every possibility of having a Sports Day this year. Fingers crossed the weather holds for us all.

New School Uniform

Many thanks to parents who have sent in emails related to the new school uniform. Your comments have been noted and will be shared with the Governing Body over the next few weeks.
