## Keeping Cool!

We have all done our best this week to keep as cool as possible. Huge thanks to the School Association for providing ice lollies for everyone, it certainly helped!

## Worship This Week

This week in worship, we learned about Windrush Day and reflected on the experiences of the people who travelled from the Caribbean to Britain on the *Empire Windrush*. We listened to the thoughts and feelings of those arriving in a brand-new country — the excitement, the worries, and the hope for a warm welcome. We talked about how we would feel in that situation and the importance of being welcomed with kindness. The children shared ideas about how we can treat others in school — including offering help, using kind words, and making sure everyone feels included. Our worship reminded us that small acts of kindness help our school stay a place where everyone belongs.
