3rd July 2026

Worship This Week

This week in worship, the whole school joined together to celebrate International Joke Day, a joyful reminder of how laughter can lift our spirits and bring us closer as a community. We explored why humour matters, how a simple joke can brighten someone's day, and how sharing smiles helps us build kindness and friendship. We talked about the importance of noticing when others might need cheering up and using gentle, friendly humour to support one another. We also shared some funny and not-so-funny jokes!

Start of the School Day from Sept 2026

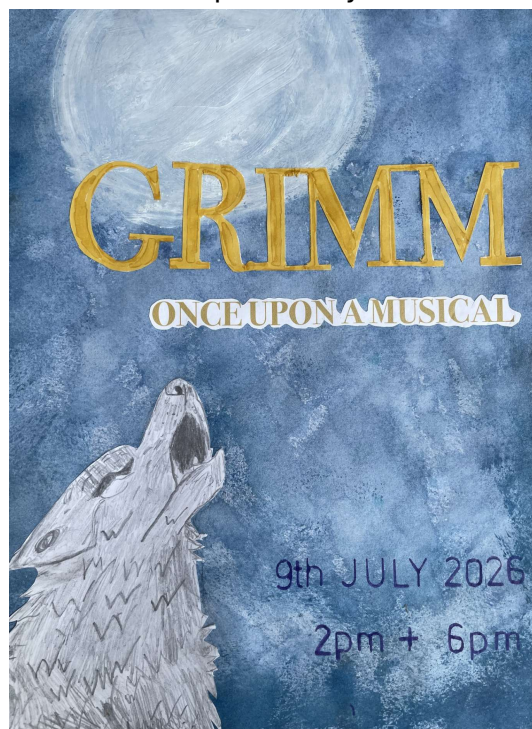

To ensure that all our children access their full entitlement of school, we will be making the following changes to the start of the school day:

- The front door will be opened just before 8.45 am each day for the children to come into school.
- Registers will be called at 8.50 am
- The front door will be closed at 8.55 am daily.
- Children arriving in school after this time will need to come to the front entrance and will be marked as late in the school register.

We would like children arrive promptly so that they can be in the classroom and start learning at 8.45am. This slight change will also help to ensure that all children are settled and ready to learn. Children who arrive after this time, will miss valuable learning time and miss key instruction at the start of the school day.

Grimm – Once Upon a Musical!

Rehearsals are well under way for our annual Year 5 / 6 performance. Shows will take place on Thursday 9th July at 2pm and 6pm. Everyone is welcome! We hope to see you there.

Thanks to Oliver Mitchell for designing this poster!

Dates for the Diary
