10th July 2026

Worship This Week

Every year, *Don't Step on a Bee Day* reminds us how important bees are to our world. These tiny creatures pollinate around **one-third of the food we eat**, helping plants, flowers and crops grow. Without bees, many of the fruits, vegetables and flowers we enjoy simply wouldn't exist. In worship this week, children learned that even though bees are small, their contribution is enormous. We linked the message of bees to our own choices and actions. Just like bees, we might feel small in a big world, but what we do matters. A kind word, a helpful action, a moment of courage — these small things can create ripples that change someone's day for the better.

Woodpecker Class Show

A huge WELL DONE to all of Woodpecker Class who put on an amazing production of Grimm – Once Upon a Musical this week to two packed out audiences. Your hard work and enthusiasm really shone through in your performances!

Pearson National Teaching Awards

Congratulations to Mr Rosevear who has received a national award. The Pearson National Teaching Awards celebrate and recognise excellence in education across the UK.

Sports Day

It was third time lucky for Sports Day! Despite a very warm start to the morning, the children had lots of fun competing and cheering on their house teams - well done to Isham for winning the sports cup this year! Thanks go to the School Association for keeping us all cool with ice lollies which were very much appreciated.

Dates for the Diary

13 th July	KS2 Mini Olympics
15 th July	Gold Awards assembly
17 th July	Leavers Service 09.15am in Church
