Worship This Week

This week in worship we explored the theme of Recycle Week, thinking carefully about how we can help protect God's creation. We shared the story *A Planet Full of Plastic* by Neal Layton, which helped us understand how useful plastic can be — but also how much harm it can cause when we make too much of it or throw it away carelessly. The children were fascinated (and sometimes shocked) to learn how plastic travels through rivers, oceans, and even inside animals who mistake it for food. Together, we discussed how God has entrusted us with a beautiful world, full of oceans, forests, creatures, and people, and how important it is that we look after it. Pupils shared thoughtful ideas about what we can do to help, including reducing plastic, reusing items instead of throwing them away, and recycling properly at home and in school. Our worship reminded us that small actions — choosing a reusable bottle, picking up litter, sorting recycling correctly — can make a big difference. By working together, we can help protect God's creation for everyone.

House Captains

Everyone in KS1 and KS2 took part this week in the elections for the four new house captains. Congratulations to those that were voted in, we are sure you will represent your house proudly.

Owl Class Bible Presentation

Owl Class will be attending Church on Wednesday 23rd September for their bible presentation. All parents & carers are very welcome. We look forward to seeing you there.

Free School Meals for Children

The government has changed its approach to Free School Meals. Attached to this newsletter is an information sheet on the types of free school meals families may be entitled to. Please read and let our school office know if you would like some support or further information.
