26th September 2026

Worship This Week

This week's worship focused on the *International Day of Peace* and how each of us can help make our world a kinder, calmer place. We shared the beautiful story *Peace on Earth* by Smriti Halls, which reminds us that peace begins with the small choices we make every day — the words we use, the way we treat others, and the actions we choose. The children reflected on how peace isn't just something that happens far away between countries; it's something we can grow right here in school. We talked about being peacemakers — people who help others feel safe, valued and listened to. The children shared thoughtful ideas about how kind words can lift someone up, how including others can stop worries from growing, and how small acts of kindness can make a big difference.

Owl Bible Presentations

In a special assembly in Church this week, Reverend Tom presented Owl Class with their Bibles.
