Worship This Week

This week in worship, we marked World Mental Health Day by sharing the story, Kite Day. Through the story, we explored different feelings and discussed how important it is to look after our mental health, just as we look after our physical health.

We talked about ways to keep our minds healthy, including having trusted people to talk to when we are worried, being kind and supportive to others, and respecting each other's feelings. The children reflected thoughtfully on how small acts of kindness can make a big difference and help everyone feel valued and cared for.

As a school community, we will continue to encourage open conversations about feelings and wellbeing, helping every child to know that they are never alone and that support is always available.

Woodpecker's Trip to Peterborough Cathedral

This week, Woodpeckers Class enjoyed a special visit to Peterborough Cathedral, where they joined children from schools across our diocesan family. Throughout the day, the pupils learned about the importance of pilgrimage and explored what it means to belong to a wider community of church schools.

The visit concluded with a wonderful service led by the Bishop, bringing everyone together in celebration and reflection. Our children were a credit to the school, demonstrating excellent behaviour, enthusiasm and respect throughout the day.

Young Voices

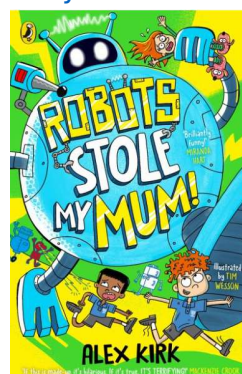

We are delighted to be able to offer the Year 3, Year 4, Year 5 and Year 6 children the opportunity to take part in Young Voices 2027. The concert will take place on Friday 8th January 2027 at the bp pulse LIVE Arena, Birmingham. Please see information on ParentMail to book your tickets.
